You will be directed to download Zoom app. Zoom must be installed prior to teledentistry consult.

Download and Install Zoom

To videoconference, you must install a small app called Zoom.

After you install, the first time you try to connect to a videoconference, please make sure you click **Open URL: Zoom Launcher** when prompted!

IMPORTANT: After you install, do not create a Zoom account, and do not attempt to log into the Zoom app. We will always do that for you automatically.

Click for detailed instructions, or give us a call at (888) 540-2829.

Terms & Conditions - Privacy Policy - Version 8.159.0128 - Powered by MouthWatch

Confirm Appointment Request

Dentist receives appointment request via e-mail and text

Dentists confirms a time (or can decline and message patient if requested time does not work)

You will receive a confirmation e-mail

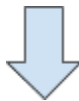

You will receive a link for scheduled time for teleconsult via Zoom app (directions included in confirmation e-mail)

Go to: <https://dentistondemand.securevideo.com>

During Teleconsult, Dentist will:

- Provide Dentist with your symptoms
- If there is a life threatening emergency, you will be directed to the emergency room
- If there is a need for **antibiotics** or other medication, a prescription will be called in for you
- If you need to see a dentist immediately for treatment, you will be directed to see a dentist of your choice or to our brick-and-mortar office location
